NO ONE REPLIED – CAN WE TRY AGAIN?- REALLY WANT TO KNOW!

FLEECE VS. BATTING - having read this article about using Fleece for the batting in a quilt; I query whether anyone in the guild has used it? And how successful was the performance of the fleece.

Comments and helpful hints will be greatly appreciated and published in our September edition.

FROM--- QUILT OF SOULS HISTORICAL PRESERATION PROJECT

Greetings Quilters

I am proud to announce a once-in-a-lifetime quilt workshop presented by seven nationally and internationally known quilters and textile artists.

I have had the extreme pleasure of working with these artisans on several occasions. As a result, they have graciously accepted my request to feature their expertise in providing workshops that will amaze. (And at a very discounted price). As the attached flyer states, Quilts and Textiles are embedded in history and culture. They comfort, they conform, they reveal, and they challenge in a society that was once shaped by hands.

Please see the attached brochure for workshop descriptions, short bios, and registration information.

With Appreciation

Phyllis Biffle Elmore
