UFO Challenge June 2026 – June 2027

The UFO (unfinished objects) challenge is a great way to motivate yourself to finish those projects you started ages ago or more recently. You will contribute \$2 for each UFO you intend to finish during this challenge. You may enter your UFO (up to 6 of them) by completing the entry form and submitting \$2 per entry to the Challenge Keeper by the deadline, June 20th, 2026 meeting in person or mail. Your Challenge Keeper's contact information is on the entry form. For every submitted UFO that you complete, you will earn a submission ticket into the entry fee lottery. The more UFOs you finish, the better your chances of winning!

General Rules:

- A UFO is defined as a quilt that you have ALREADY STARTED but have not finished. This should be primarily YOUR work. We are not the quilt police, so this on the honor system.
- The submission should be of a minimum size 30" x 40" or 140" in circumference.
- UFOs are considered finished when full pieced (any techniques allowed), quilted and bound. Quilt tops are NOT finished.
- Each entry must be submitted with its own entry form and the \$2 entry fee no later than the June 20th, 2026 monthly guild meeting. Please keep a copy for your own records.
- You have until the following year's June board meeting on June 19th 2027 to complete your UFOs. You will receive one lottery ticket per completed submission. You may "submit" your completed UFO by displaying it at ANY guild meeting throughout the Challenge year during Show and Tell. Be sure to get the Challenge Keeper to sign off on the submission.
