#### CREDIT / DEBIT CARDS - YES

Found something on the boutique you like or time to renew your membership and you don't have the \$\$\$\$\$. The guild does have the capability of taking debit or credit cards. Sorry, but we do have to charge a 3%\* credit card usage fee to cover the cost of what the credit card company charges us. The good news is all sale item prices already include sales tax so there will not be that additional nasty 7% sales tax added to your bill.

#### You can use your credit card on:

- > Boutique items
- > Membership dues
- > Staycation fees
- > Raffle tickets
- > All sales items that are sponsored by Hibiscus Quilt Guild
- \*If we have to manually enter your credit card, the fee is 3.5%....don't know why, but the credit card company doesn't like manually entered numbers and they charge us more...yuck

If they feature your fabric on the show, they'll send you the pattern book and a yard for each of the other two fabrics.
