I couldn't make February's meeting, but I heard wonderful things about the meeting. Thank you, Christine Burtch, for heading the meeting. I attended the American Quilt Society // AQS 2026 Daytona Beach show. I took some wonderful classes and enjoyed the many quilts on display. The vendor selection seemed to be smaller this year, but the quilt display seemed to be larger. **Reminder new meeting date: same time but it will be held on 4th Saturday, MARCH 28th**

March 28th: Tops Sewing and Vacuum will be here for a program servicing up to 15 machines, be sure to get your name on the list now. I currently have 11 machines signed up for the program. For those that have signed up for their annual service, make sure to bring the cords and foot pedals when you bring your machines. Currently signed up for annual service: Pat C, Joy W, Lana, Debbie

April 18th: You have had your machine serviced either at our March meeting with Tops or at your local Sewing Machine service center. Now what? Join our **Hands-on Maintenance Class for Sewing & Embroidery Machines** to keep your equipment running smoothly until the next full service. Learn essential tips and tricks to clean, oil, troubleshoot, and care for your machine—whether you sew every day or just now and then. Perfect for beginners and seasoned stitchers alike! This class will be held at our April 2026 meeting by Dave Jordan with Laura’s Sewing and Quilt Shop. AND they are bringing fabric so we can shop.

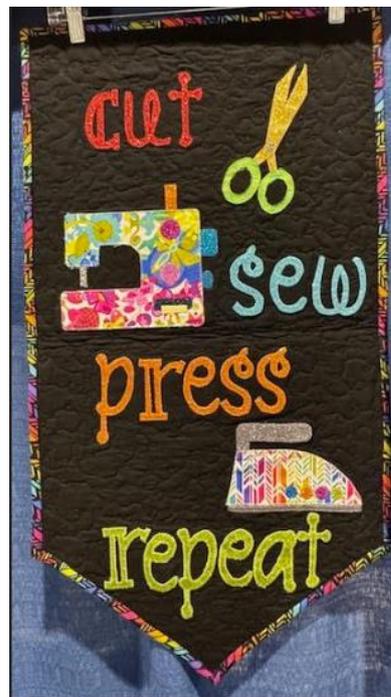

May 16th: The English Paper Piecing class by Debbie Sprague, this class will include a kit; just bring your lunch. Your kit will include enough EPP papers, a needle, thread and fabric to make TWO Grandmother Garden flowers, plus some bonus surprises. **Sign-up ends in April,** I need time to make up the kits. I currently have the following members signed up for the class: Debra H, Pam D, Madison (Jr), Lana, Linda U, Mary, Jackie, Phyllis, Cheryl, Kristie, and Eleanor Yura

June 20th: String Piecing by Michelle Kay. Watch upcoming newsletters for details.

TBD: Beach Potato Embroidery has offered to bring us a trunk show and a class using their glitter fabric. The cost of this class which will include a kit is \$60. The \$60 will include trunk show, class, kit with all the glitter fabric, and the pattern; all you will need to supply is the black background fabric, and fabric for the handle of scissors, body of the iron and sewing machine. This class will be done using a **sewing machine** that has zig-zag and straight stitch. For those that get “glitterized” they will have additional glitter fabric for sale. All of Beach Potato’s glitter fabric can be machine washed, just not put in the dryer. Christine Burtch and I will need a commitment of 10 people to lock in this class. Currently we have a “count me in” from Lana, Madison, Debbie, Christine, Janet, and Shelly, what about you? This class fees will need to be pre-paid before the class..

Our Parliamentarian, Eleanor Yura, starting in June will be busy. In June she puts together a nominating committee; in August she announces the candidates for the 2027-2028 executive board positions; in November elections are held; and in December she runs the New Officer Installation ceremony. I know after 17 years of being on the board, I am stepping away, and Jackie Blazok cannot run as Treasurer again (2 consecutive terms maximum for Treasurer position). Our Vice President automatically becomes President, so we will be looking for a new Vice President. As a member, you can run for any office if you have been a member in good standing for two years.

Debbie Sprague, President

Remembering BARBARA STEWART

Hello Quilters!

It is with much sadness that we share the news that Barbara Stewart has passed.

At this time, details are few, however, we will be sure to update you when more information is available

VICE PRESIDENT'S

Hurray, Cindy! Thank you for stepping up to be our new Piecemaker's Chairman!

MEETING PICS

This picture is of the three ladies, Barbara, Pat and Joan that do a number of quilts for us every month. Something special should be said thanking them for all their hard work.

For the new members in our guild, a heart block is a 6-1/2" unfinished block with a heart on it. It can be pieced or appliqued; how you make it is up to you. Please sign your block somewhere on the block (inside the stitched area). The heart block recipient can then turn her heart blocks into a comfort quilt when she has recovered. Starting in March, Block of the Month has changed.

- This is on a trial basis for six months
- March through August I will be providing you with an FQ per month to use within your block. The FQ fabric will be the same for every month, so if you win more than one month, you will be able to put the blocks together from each win. You will get a sampler of blocks with uniformity throughout the six months.
- Now here is the great news...you get to pick the 12-1/2" unfinished block of your choice. The only requirement is you must prominently use the provided FQ in your block...again uniformity. You can piece, applique, paper piece, etc. whatever you want just to be sure to use somewhere
- within the block your provided FQ fabric. BUT BUT BUT you cannot use the same block twice or more within the next six months. Each block within the BOM period MUST BE DIFFERENT.
- Blocks will be measured 12-1/2" unfinished
- You start with one FQ; the only way you can get your next FQ is to enter your block in the BOM drawing during the meeting.
- What happens if you make your block for one month, but then you cannot

attend? Good news, use it for the next meeting you can attend! As there is no specific block per month the blocks can be used anytime.

➤ Recap of rules

* Rule #1: block must contain somewhere within it some of the FQ fabric I provided. The fabric must be used so it is prominently used within the block. In case of lost FQ, see Rule #5

* Rule #2: your choice of 12-1/2" block pattern. Any pattern and any technique can be used. Please attach a paper with the **name of the block** on your block.

* Rule #3: Once you use a block pattern, it cannot be used again within the BOM trial period.

* Rule #4: Sorry ladies, blocks will be measured. A 12-1/2" unfinished block must measure at least 12-1/2" unfinished, if you have a block that can be cut down great, if you can't then I can't accept it. Bigger is better, but to "cut down to 12-1/2" it will mean the block's visual integrity will not be jeopardized. If the cutting down destroys points, it just won't work.

Rule #5: If you lose your FQ, you may get a replacement FQ at the cost of \$5.00

If you will not be at the February meeting but want to start making your own block with the provided FQ, send me a self-address and stamp envelope and I will mail you your first FQ. Send it to Jackie Blazok, 1959 Kudza Rd, West Palm Beach, FL 33415

Ladies, since I run the Boutique, Debbie Sprague, President will be helping me measure the blocks, log in your block name for the newsletter, and hand out FQ's for the following month.
